

Material Data Safety Sheet

RightFiber™ Polydextrose

The Ingredient House, LLC. urges the customer receiving this Material Safety Data Sheet to study it carefully to become aware of hazards, if any, of the product involved. In the interest of safety you should (1) notify your employees, agents and contractors of the information on this sheet, (2) furnish a copy to each of your customers for the product and (3) request your customers to inform their employees and customers as well.

1. Identification of Substance

Product:	RightFiber™ Polydextrose
Supplier:	The Ingredient House, LLC 293 Olmsted Blvd, Suite 5 Pinehurst, NC 28374 Telephone: 910-235-4495 Fax: 877-542-4844 E-mail: support@theingredienthouse.com Web: www.theingredienthouse.com
Product Number:	RPLD-100 (Type 1), RPLD-202 (Type II), RPLD-200 (Type III –neutralized)

2. Product Identification

Synonyms:	Poly-D-Glucose
CAS No.:	68424-04-4
Molecular Weight:	Varies
Chemical Formula:	(C ₆ H ₁₂ O ₆) _x

3. Hazards Identification

Emergency Overview	As part of good industrial and personal hygiene and safety procedure, avoid all unnecessary exposure to the chemical substance and ensure prompt removal from skin, eyes and clothing.
Health Rating:	1 - Slight
Flammability Rating:	1 - Slight
Reactivity Rating:	0 - None
Contact Rating:	1 - Slight
Lab Protective Equip:	GOGGLES; LAB COAT
Storage Color Code:	Orange (General Storage)
Potential Health Effects	
Inhalation:	No adverse health effects expected from inhalation. Prolonged exposure in sensitive individuals may result in respiratory irritation.
Ingestion:	Not expected to be a health hazard via ingestion. Excessive consumption in sensitive individuals may result in a laxative effect.
Skin Contact:	Not expected to be a health hazard from skin exposure.
Eye Contact:	No adverse effects expected.
Chronic Exposure:	No information found.
Aggravation of Pre-existing Condition:	No information found.

4. First Aid Measures

Inhalation:	Not expected to require first aid measures. Treat symptoms and provide fresh air. Get medical advice if irritation develops.
Skin Contact:	Not expected to require first aid measures. Wash exposed area with soap and water. Get medical advice if irritation develops.
Eye Contact:	Not expected to require first aid measures. Wash thoroughly with running water including under eyelids. Get medical advice if irritation develops.

Product:	Polydextrose	Doc Name:	RightFiber Polydextrose MSDS 12-10		
Doc Effective Date:	12/10/10	Doc Revision:	1	Doc Expiration Date:	10/1/12
Date Printed:	12/21/10	Time:	8:40 AM	Page:	1 of 3

5. Fire Fighting Measures

Fire:	Not considered to be a fire hazard.
Explosion:	Not considered to be an explosion hazard.
Fire Extinguishing Media:	Use any means suitable for extinguishing surrounding fire.
Special Information:	Use protective clothing and breathing equipment appropriate for the surrounding fire.

6. Accidental Release Measures

Ventilate area of leak or spill. Wear appropriate personal protective equipment as specified in Section 8. Spills: Sweep up and containerize for reclamation or disposal. Vacuuming or wet sweeping may be used to avoid dust dispersal.

7. Handling and Storage

Keep in a tightly closed container, stored in a cool, dry, ventilated area. Protect against physical damage. Containers of this material may be hazardous when empty since they retain product residues (dust, solids); observe all warnings and precautions listed for the product.

Do not store near hazardous, or odorous material.

8. Exposure Controls/Personal Protection

Airborne Exposure Limits:	None established.
Ventilation System:	In general, dilution ventilation is a satisfactory health hazard control for this substance. However, if conditions of use create discomfort to the worker, a local exhaust system should be considered.
Personal Respirators (NIOSH Approved):	For conditions of use where exposure to the dust or mist is apparent, a half-face dust/mist respirator may be worn. For emergencies or instances where the exposure levels are not known, use a full-face positive-pressure, air-supplied respirator. WARNING: Air-purifying respirators do not protect workers in oxygen-deficient atmospheres.
Skin Protection:	Wear protective gloves and clean body-covering clothing.
Eye Protection:	Use chemical safety goggles. Maintain eye wash fountain and quick-drench facilities in work area.

9. Physical and Chemical Properties

Appearance:	Powder/Granule. White to near white. Odorless.
Solubility:	80% w/w in water at 25°C
pH of 10% Solution:	2.5 to 7.0
Melting Point:	130°C
Flash Point:	N/A
Relative Density:	0.6 to 1.2 g/cm ³
Auto-ignition Temperature:	975°C

10. Stability and Reactivity

Stability:	Stable under ordinary conditions of use and storage.
Hazardous Decomposition Products:	Carbon dioxide and carbon monoxide may form when heated to decomposition.
Hazardous Polymerization:	Will not occur.
Incompatibilities:	No information found.
Conditions to Avoid:	High dust conditions.

11. Toxicology Information

Toxicity Data:	Approved for use in food.
-----------------------	---------------------------

Product:	Polydextrose	Doc Name:	RightFiber Polydextrose MSDS 12-10		
Doc Effective Date:	12/10/10	Doc Revision:	1	Doc Expiration Date:	10/1/12
Date Printed:	12/21/10	Time:	8:40 AM	Page:	2 of 3

	Acceptable daily intake of "not specified" (JECFA).
Carcinogen Status:	None.

12. Ecological Information

Environmental Fate:	No information found.
Environmental Toxicity:	No information found.

13. Disposal Considerations

Whatever cannot be saved for recovery or recycling should be managed in an appropriate and approved waste disposal facility. Processing, use or contamination of this product may change the waste management options. State and local disposal regulations may differ from federal disposal regulations. Dispose of container and unused contents in accordance with federal, state and local requirements.

14. Transport Information

Not regulated.

15. Regulatory Information

On August 21, 2007, the Food and Drug Administration extended the approval of polydextrose for use as a bulking agent, formulation aid, humectant, and texturizer in all foods with the exceptions of meat, poultry, baby foods and infant formula. The regulation under 21 CFR 172.841 has been amended to permit the use of polydextrose at GMP levels in virtually all food and beverage categories. Complies EC Directive 95/2/EC as Bulking agent.

16. Other Information

Label Hazard Warning:	As part of good industrial and personal hygiene and safety procedure, avoid all unnecessary exposure to the chemical substance and ensure prompt removal from skin, eyes and clothing.
Label Precautions:	As Polydextrose, bulking agent – E1200.
Label First Aid:	Not applicable.

DISCLAIMER:
The information and recommendations contained in this Material Safety Data Sheet have been compiled from sources believed to be reliable and to represent the most reasonable current opinion on the subject when the MSDS was prepared. No warranty, guaranty or representation is made as to the correctness or sufficiency of the information. The user of this product must decide what safety measures are necessary to safely use this product, either alone or in combination with other products, and determine its environmental regulatory compliance obligations under any applicable federal, state or local laws.
